

No Other Baby

[Paul McCartney](#)

Written by Bishop/Watson
But I don't want no other baby but you
I don't want no other baby but you
Cause no other baby can thrill me like you do
Got a little woman, lives across the hall
Got a little woman, she lives across the hall
And most every evening she's asking me to call
But I don't want no other baby but you
I don't want no other baby but you
Cause no other baby can thrill me like you do
But lots of other women say be my daddy do
Yeah, lots of other women say be my daddy do
But I tell them I don't want no other baby but you
I said I don't want no other baby but you
No, I don't want no other baby but you
Cause no other baby thrill me like you do, ooh, ooh
