Harmony Korine (2016 Remaster)

Steven Wilson

Rain, come down, and fall forever
Drain, the dirt, into the wasteland
Pray, for sound, to quiet the howlingFeel, no shame, too brave
Feel, afraid, to wait foreverKneel, to fade, the day's corrosion
Crawl, depart, towards perdition
Gray, the part, the bruise within youFeel, no shame, too brave
Feel, afraid, to wait foreverForeverFeel, no shame, too brave
Feel, afraid, to wait forever
