

# Nobody

Nick Fradiani

nobody  
It's been awhile  
since I've been  
caught-able vulnerable  
since I've had  
something with someone again  
laying in my arms again  
I check my phone  
2 am  
Where are you  
Why do I  
need to know  
damn girl, it's happening  
yeah again  
nobody kiss me like you do  
feels like I breaking my all rules  
when you sleep over  
I don't care I'm sober  
your head on my shoulder  
nobody nobody  
nobody kiss me like you do  
Who would ever thought you could break through  
All of these walls that were standing so tall so that I never thought but that  
nobody nobody  
nobody kiss me like you do  
first time I aid you need  
that I have to have  
more than just a  
feels like I gotta think  
that I wanna swear  
that I'm gonna  
how'd it go  
for just one night  
to feel alive  
when you go  
nothing's right  
nobody kiss me like you do  
feels like I breaking my all rules  
when you sleep over

I don't care I'm sober  
your head on my shoulder  
nobody nobody  
nobody kiss me like you do  
Who would ever thought you could break through  
All of these walls that were standing so tall so that I never thought but that  
nobody nobody  
nobody kiss me like you do  
nobody  
oh you do  
nobody kiss me like you  
I like you  
nobody kiss me like you do  
feels like I breaking my all rules  
when you sleep over  
I don't care I'm sober  
your head on my shoulder  
nobody nobody  
nobody kiss me like you do  
Who would ever thought you could break through  
All of these walls that were standing so tall so that I never thought but that  
nobody nobody  
nobody kiss me like you do  
nobody  
nobody kiss me like you do  
nobody
