Jericho

Weekend Players

I hear your voice calling out to reach me
Then all is calm and clear
I feel no pain when you hold me
Pull me in and draw me nearI see your eyes of hazy blue
But oh so clear, sincere and true
I taste the air around you
And I feel brand new, new, new, newCome, fill my senses up with you
You've turned the jaded into new
Come, fill my senses up with youLove would be senseless without you
Come, fill my senses up with you
You, you, you, you, you, you
There was a time when love was blind
Love lost and all at sea
Love came in dreams and waves
Came and went away from meAll forsaken, all forlorn
All mistaken, feel no scorn
And then you pulled me from the darkness
And I see things new, new, new, newCome, fill my senses up with you
You've turned the jaded into new
Come, fill my senses up with youLove would be senseless without you
Come, fill my senses up with you
You, you, you, you, you, youCome, fill my senses up with you
You've turned the jaded into new
Come, fill my senses up with you
Love would be senseless without you
Come, fill my senses up with you
You, you, you, you, you, youCome, fill my senses up with you
You, you, you, you, you, you
Come, fill my senses up with you
You, you, you, you, you, youCome, fill my senses up with you
You, you, you, you, you, you
Come, fill my senses up with you
You, you, you, you, you, you
