A Winter's Tale

The Celtic Angels

The nights are colder now
Maybe I should close the door
And anyway the snow has covered all your footsteps
And I can follow you no more
The fire still burns at night
The memories are warm and clear
But everybody knows
It's hard to be alone this time of year
It was only a winter's tale
Just another winter's tale
And why should the world take notice
Of one more love that's failed?
A love that can never be
Though it meant a lot to you and me
On a world-wide scale
We're just another winter's tale
While I stand alone
A bell is ringing far away
I wonder if you're here
I wonder if you're listening
I wonder where you are today
Good luck, I wish you well
For all that wishes may be worth
I hope that love and strength
Are with you for the length
Of your time on earth
It was only a winter's tale
Just another winter's tale
And why should the world take notice
Of one more love that's failed?
It's a love that can never be
Though it meant a lot to you and me
On a world-wide scale
We're just another winter's tale
It was only a winter's tale
Just another winter's tale
And why should the world take notice
Of one more love that's failed?
It's a love that can never be

Though it meant a lot to you and me
On a world-wide scale
We're just another winter's tale
We're just another winter's tale
