

Out in the Fields

Gary Moore

It doesn't matter if you're wrong or if you're right
It makes no difference if you're black or if you're white
All men are equal till the victory is won
No color or religion ever stopped a bullet from a gun
Out in the fields the fighting has begun
Out on the streets, they're falling one by one
Out from the skies a thousand more will die each day
Death is just a heartbeat away
It doesn't matter if you're left or to the right
Don't try to hide behind the cause for which you fight
There'll be no prisoners taken, well the day is done
No flag or uniform ever stopped a bullet from a gun
Out in the fields the fighting has begun
Out on the streets, they're falling one by one
Out from the skies a thousand more will die each day
Death is just a heartbeat away
There's no communication
No one to take the blame
The cries of every nation
Have fallen on deaf ears again
Out, out, out, out, out
Out in the fields, out in the fields
Out in the fields
They are falling one by one
No flag has ever stopped a bullet from a gun
Death is just a heartbeat away, a heartbeat away
Death is just a heartbeat away, a heartbeat away
The fighting has begun
They're falling one by one
A thousand more will die each day, out
Out in the fields, out
