

Kivevelo

Mbuvi

Mwa nyie mbuvi Nai mundu wa vwiya
Satani eyukilya nakita ukia
Kiwila ngunguu namwona mwovosya usyawa wakwa watwika wa kuuya ituni

Kivevelo kya yesu nikyukilitwe, Æ—3
Anasa muikakie yeova engali yiitu
(Kivevelo)

Nyie mwiitu kambua ona ndienda ukilya
Kwianana nondu nisi numite kuasa
Na ndyina kya kuyonia no kumwinia
Mwiai mwovosya musumbu wa asumbi.
