

That's When I'll Stop Loving You

*NSYNC

When winter comes in summer
When there's no more forever
That's when I'll stop loving you
That's when I'll stop loving you I'm sure you've heard these words before
And I know it's hard for you to trust them once more
You're afraid it all might end
And a broken heart is scared of breaking again But you've gotta believe me, I'll never leave you
You'll never cry long as I am there
And I will always be there
You will never be without love When winter comes in summer
When there's no more forever
When lies become the truth
Oh you'll know then baby
That's when I'll stop loving
That's when I'll stop loving you
That's when I'll stop loving you, yeah As long as sunlight lights the sky
Light of love will be found in these eyes of mine
And I will shine that light for you
You're the only one, I'll ever give this heart to What I'm trying to say is nothing will change this
There be no time that you won't find me there
'Cause I will always be there
You will always have all my love When winter comes in summer
When there's no more forever
When lies become the truth
Well you'll know then baby
That's when I'll stop loving
That's when I'll stop loving you
That's when I'll stop loving you When this world doesn't turn anymore
When the stars all decide to stop shining
'Til then I'm gonna be by your side
I'm gonna be loving you forever, everyday of my life
Oh yeah, yeah, yeah Well then you know baby
That's when I'll stop loving
That's when I'll stop loving
That's when I'll stop loving you When winter comes in summer
When there's no more forever
When lies becomes the truth
Oh you'll know then baby
That's when I'll stop loving

That's when I'll stop loving you
When winter comes in summer
When there's no more forever
When lies become the truth
Oh you'll know then baby
That's when I'll stop loving
That's when I'll stop loving you
That's when I'll stop, babe, I'll stop, babe loving you
