

Last Train Home (acoustic)

Lostprophets

One! Two! Three! To every broken heart in here
Love was once a part, but now it's disappeared
She told me that it's all a part of the choices that your making
Even when you think you're right
You have to give to take But there's still tomorrow
Forget the sorrow
And I can be on the last train home
Watch it pass the day
As it fades away
No more time to care
No more time, today But we sing
If we're going nowhere
Yeah we sing
If it's not enough
And we sing
Sing without a reason
To ever fall in love I wonder if you're listening
Picking up on the signals
Sent back from within
Sometimes it feels like I don't really know what's going on
Time and time again it seems like everything is wrong in here But there's still tomorrow
Forget the sorrow
And I can be on the last train home
Watch it pass the day
As it fades away
No more time to care
No more time, today But we sing
If we're going nowhere
Yeah we sing
If it's not enough
And we sing
Sing without a reason
To ever fall in love Well we sing if we're going nowhere
Yeah we sing if it's not enough
And we sing
Sing without a reason to ever fall in love But we sing
If we're going no where
Yeah we sing
If it's not enough

And we sing
Sing with out a reason to never fall in love
To never fall in love again
