

# I'm In Love With A German Film Star

## Foo Fighters

I'm in love with a German film star  
I once saw in a bar  
Sitting in a corner in imperfect clothes  
Trying not to pose  
For the cameras and the girls  
It's a glamorous world I'm in love with a German film star  
I once saw in a movie  
Playing the part of a real troublemaker  
But I didn't care  
It really moved me, it really moved me I'm in love with a German film star  
I once saw in a bar  
Sitting in a corner in imperfect clothes  
Trying not to pose  
For the cameras and the girls  
It's a glamorous world I'm in love with a German film star  
I once saw in a movie  
Playing the part of a real troublemaker  
But I didn't care  
It really moved me, it really moved me  
It really moved me, it really moved me
