Race With the Devil

Stray Cats

Well, I've led an evil life, so they say
But I'll hide from the Devil on judgment day
I said, "Move hot-rod, move man, move hot-rod, move man
Move hot-rod, move me on down the the line, oh yeah"Well, me and the Devil at a stop light
And he started rollin', I was out of sight
I said, "Move hot-rod, move man, move hot-rod, move man
Move hot-rod, move me on down the the line, oh yeah"Well, goin' pretty fast, I looked behind
Here come the Devil doin' ninety-nine
I said, "Move hot-rod, move man, move hot-rod, move man
Move hot-rod, move me on down the the line, yeah"Thought I was smart, the race was won
Here come the Devil doin' a-hundred and one
I said, "Move hot-rod, move man, move hot-rod, move man
Move hot-rod, move me on down the the line"Well, I've led an evil life, so they say
But I'll hide from the Devil on judgment day
I said, "Move hot-rod, move man, move hot-rod, move man
Move hot-rod, move me on down the the line"
