I pray to God that they see this  
You tell them nigga's we ballin' , and they playin' no defense  
See I don't need to be s.dot take the drum out  
and get them hands up you better drop em when I come outWe out here and I'm rockin'  
And I ain't playing, don't stop it  
you think you won, stop it cuz that girl you with been boppin'  
Boy, i'm michael jordan, rodman.  
a young bull and i got it  
if there ain't no money in these pockets I ain't concerned, sit back and watch it.because this here is that preview,  
haters and hospitals i see you  
we the HS717 crew  
whatever you wanna call it, we don't need you  
no new nigga's, no recruits, no lame nigga's, no me too's  
when they come to mine, it's a tight circle, not 5 4 or that 3 2.
