

# Tere Liye (From "Veer - Zaara")

Lata Mangeshkar & Roop Kumar Rathod

Tere liye, ham hain jiye, honton ko siye

For your sake, I live with my lips sealed. Tere liye, ham hain jiye, har aansoo piye  
For your sake, I live, swallowing all my tears. Dil mein magar, jalte rahe, chaahat ke diye

But in my heart, the lamp of love continues to burn Tere liye, tere liye

for your sake, for your sake Tere liye, ham hain jiye, har aansoo piye

For your sake, I live, swallowing all my tears. Tere liye, ham hain jiye, honton ko siye

For your sake, I live with my lips sealed. Dil mein magar, jalte rahe, chaahat ke diye

But in my heart, the lamp of love continues to burn

Tere liye, tere liye

for your sake, for your sake Aa...

Zindagi, le ke aayi hai, beete dinon ki kitaab -2

Life has brought with it the chronicle of days past. Ghere hain, ab hamein, yaadein be-hisaab  
incomparable memories surround us now. Bin poochhe, mile mujhe, kitne saare jawaab

Without asking, I received so many answers! Chaaha tha kya, paaya hai kya, hamne dekhiye

Look at what I desired, and what, in turn, I received. Dil mein magar, jalte rahe, chaahat ke diye

But in my heart, the lamp of love continues to burn Tere liye, tere liye

for your sake, for your sake Kya kahoon, duniya ne kiya, mujh se kaisa bair -2

What can I say? The world has shown such ill-will to me.

Hukam tha, main jiyun, lekin tere baghair

I'm commanded to live life, but without you. Naadaan hai woh, kehte hain jo, mere liye tum ho ghair

How ignorant they are, who say you are a stranger to me. Kitne sitam, hampe sanam, logon ne kiye

How many wrongs we have been done, my love! Dil mein magar, jalte rahe, chaahat ke diye

But in my heart, the lamp of love continues to burn Tere liye, tere liye

for your sake, for your sake Tere liye, ham hain jiye, honton ko siye

For your sake, I live with my lips sealed. Tere liye, ham hain jiye, har aansoo piye

For your sake, I live, swallowing all my tears. Dil mein magar, jalte rahe, chaahat ke diye

But in my heart, the lamp of love continues to burn Tere liye, tere liye

for your sake, for your sake Tere liye -4
