

Vibe With Ya

Allen Stone

Somebody drank all my Carlo,
Somebody stole my glass, oh,
But if I hear "shot time," roll out the Phillies, it's,
It's gonna kick my ass,
You said you're here with your boyfriend,
Then point him out him to me,
Because nothing's wrong, nothing's wrong,
If your boyfriend ain't in the vicinity, Oh, I take two sips,
Lick that liquor off my lips,
I slip into rhythm with your hips,
And I'll vibe with ya,
Hey, vibe with ya,
Yeah, I'll vibe with ya,
Hey, vibe with ya,
I'll vibe ya,
Hey, vibe with you now, vibe,
It's three o'clock in the morning,
And all of my friends are gone,
But you're still up on the dance floor,
We're dancing to my favorite song,
You're just a Black Magic Woman,
And you're just another Roxanne,
Oh, but as long as you're up on the dance floor,
I'm gonna vibe the best I can, So I take two sips,
Lick that liquor off my lips,
I slip into rhythm with your hips,
And I'll vibe with ya,
Hey, vibe with ya,
Yeah, I'll vibe with ya,
Yeah, vibe with ya,
Oh, I'll vibe ya,
Hey, vibe with you now, vibe,
I take two sips,
Lick that liquor off my lips,
I slip into rhythm with your hips,
And I'll vibe with ya,
Yeah, vibe with ya,
No, I'll vibe with ya,
Oh, vibe with ya,

Yeah, I'll vibe you,
Yeah, vibe with you now, Two sips,
Lick that liquor off my lips,
I slip into rhythm with your hips,
And I'll vibe with ya,
Hey, vibe with ya,
No, I'll vibe with ya,
Hey, vibe with ya,
No, I'll vibe ya,
Hey, vibe with you now, vibe, So I take two sips,
Lick that liquor off my lips,
I slip into rhythm with your hips,
And I'll vibe with ya,
Yeah, vibe with ya,
Yeah, I'll vibe with ya,
Hey, vibe with ya,
Yeah, I'll vibe ya,
Hey, vibe with you now, vibe, yeah, Oh, yeah,
Oh,
Vibe with you, yeah,
Vibe with you now,
Vibe with you, baby.
