Grow Old With Me (Don't Let Go)

Blackbird Blackbird

I won't try to understand
What's going on inside your head.
You don't need to
Say anything.
You don't need to
Be anything.
It's something that I can't explain
to you.
How I want to be with you.
Grab a hold of me
& don't let go.
Grow old with me
& don't let go.
Giving up your Soul
You gotta lose control.
Grow old with me
& don't let go.
You'll be with me,
don't let go.
Grow old with me
& don't let go.
Don't let go of me,
You gotta lose control.
Open up your Soul.
You gotta lose control.
