Amazing and beautiful
She'll skip by your heart if she can't feel it
But she'll knit your heart a sweater
If she's been too cold

Amazing and beautiful
She'll cover your eyes with wool
And if you let yourself see her
You'll learn something about this girl

She's a double rose diamond
Cut you 'til you bleed with laughter
She's the sparkle in your eye
Even if there's no sunshine

You'll learn something about this world

You'll learn something about this whirl.

.Wind in your hair
Fill you up with life like a forest
And when the trees stop moving
You still know she was here

You'll get something you won't give back
