

Power Trip

Chimaira

Face to face, no time to waste
This is the time for revenge
Your claim to fame of crushing dreams
Your control has no hold on me, has no hold on me I hate the way, you have no shame
You act like nothing's happened
It's time to rise, the final fight
This is the last time I will not fail again, I will not let you win
Fuck your power trip I'll throw away the wasted days
The chance for revenge
My claim to fame ended in vain
This was the last time I will not fail again, I will not let you win
Fuck your power trip, I will not fail again
I will not let you win, fuck your power trip You are the one who's forsaken us all
Nothing has changed so together we fall
I am the one who's led us to believe
You can't change me I will not fail again, I will not let you win
Fuck your power trip, I will not fail again
I will not let you win, fuck your power trip
Fuck your power trip
