When You Got a Good Friend (Take 1)

Robert Johnson

When you got a good friend, that will stay right by your side
When you got a good friend, that will stay right by your side
Give her all of your spare time, love and treat her rightI mistreated my baby, and I can't see no reason why
I mistreated my baby, but I can't see no reason why
Every time I think about it, I just wring my hands and cryWonder could I to bear apologize, or would she sympathize with me?
Mmm-mmm-mmm, would she sympathize with me?
She's a brown-skin woman, just as sweet as a girlfriend can beMmm-mmm, babe, I may be right or wrong
Baby, it's your opinion, oh, I may be right or wrong
Watch your close friend, baby, then your enemies can't do you no harm
