Sing

Travis

Baby, you've been going so crazy
Lately, nothing seems to be going right
So low, why do you have to get so low
You're so, you've been waiting in the sun too longBut if you sing, sing, sing, sing, sing, sing
For the love you bring won't mean a thing
Unless you sing, sing, sing, singColder crying on your shoulder
Hold her, and tell her every thing's gonna be fine
Surely, you've been going too early
Hurry 'cos no one's gonna be stopped
Na na na naBut if you sing, sing, sing, sing, sing, sing
For the love you bring won't mean a thing
Unless you sing, sing, sing, sing, sing, singBaby, there's something going on today
But I say nothing, nothing, nothing
Nothing, nothing, nothing, nothingBut if you sing, sing, sing, sing, sing, sing
For the love you bring won't mean a thing
Unless you sing, sing, sing, sing, signOhh baby sing, sing, sing, sing, sing, sing
For the love you bring won't mean a thing
Unless you sing, sing, sing, sing
