Black Majesty

Destiny hands of injustice delivered[Pre Chorus]
What has been received is not always as it seems
Standing and alone the light fades as he leaves[Chorus]
Saviour be known
Say a prayer to keep us safe
Your words will prevail and set us free
Father of time the sands are drifting
Through your hands like water
GuardianDraining life controlled by a life of deception
He has seen the visions that guide us to wisdom[Pre Chorus][Chorus][Solo]Life's embraced denied is the moment of dying
Time is now relinquish your thoughts
and your demons[Pre Chorus][Chorus][Bridge 1]
He's alive - standing right before you
He'll show you a paradise
Time to change your ways[Bridge 2]
There's a life you left behind
Just a reminiscence of mankind
There's a life you left behind
and now it's gone
In time I'll change my way
