Like we Ashford and ons or Ike and Anna Mae
On one their good days
You smile like sun rays 5'5 with brown eyes and thick legs
Only for the RULE baby
[Chorus:][Charlie Baltimore:]Now baby I told you I can show you better than I can tell you
Don't try to bring conversey and mail
Just sweet words and naked photos
I'm still that pretty down down ass 2 cars behind ya 6
And I diss any clown ass rockin my round ass only a down ass
And it's all for u
I've grown a tad bit since we been at like rabbits
To move a little bumper and it's
([Ja Rule:] AND IT'S ALL FOR RULE)
Shit Who gon' love you like that?
Thug with you wit a stack to the ceilin
And spilt in the dub with you
Cuz I played my position with KO-D's, O G's
Until that blood shed blood red and we O-Ded
Remember every word that ya told me
([Ja Rule:] SHOWED ME,HOLD ME)
All you need in your life is Chuck, drugs, and dubs on 22's
Now tell me who the hunny for you
CHUCK
[Chorus x2]
