

Weight in Gold

Gallant

black dust in orbit cascades down like a parachute
bricks on my shoulders, this gravity hurts when you know the truthI'm pulling my weight in gold
call me anxious, call me broke
but I can't lift this on my own
pulling my weight in gold
call me anxious, call me broke
but I can't lift this on my ownwe dreamt like martyrsâ€”
I never thought I was bold enough.
you pushed me further
and I take the blame for the both of usI'm pulling my weight in gold
call me anxious, call me broke
but I can't lift this on my own
pulling my weight in gold
call me anxious, call me broke
but I can't lift this on my ownOh, Universeâ€” hold me up
you tried your best, is it ever enough when it's already dragging me down?
