

The River

The Go Find

I'm thinking maybe we should go
Go for a summer walk
It's coldDoing all the stuff we do
The summer is fairly slowI'd kiss your lips a thousand times
Like all my friends in townYou know, summersI hope "...Lost friends
Dreams end
I hope I could let it goYou know, summersThe summer cold makes me slow
All my friends alone
The summer's end is near
A quest comes to an endI'm thinking we should go
Go for an autumn walkYou know summers.
I hope I "...
Lost friends
Dreams end
I hope I could let it goEndless summers
I hope I "...It's got nothing to do with
I'd write it down if you want me to
And when the sun wipes out the shape
We fade out like Summer's end
It's got nothing to do with you
I'd write it down if you want me to
NowIt's got nothing to do with you
I want to know what you saidNowIt's got nothing to do with you
I want to know what you saidNow
(You know, summers) It's got nothing to do with you
I want to know what you saidNow(You know, summers) It's got nothing to do with you
I want to know what you saidNowLost friends, dreams end
