

I Wish I Were Your Mirror

The Supremes

Look at me, look at me, look at me

Here I am

Baby, baby baby, baby, baby, baby

Ooh, I make sure you see me every day

And though you smile at me

A quick hello is all you ever say

I wish I were your mirror, love

So you'd stare at me

I wish I were your sweater, love

At least you'd wear me

'Cause when you look at me

I know I don't exist

But every time I look at you

I can almost feel your loving kiss

I wish that I were your mirror

Oh, baby, how I wish I were your mirror

I wish that I were your mirror

Oh, baby, baby

Just because I want you

I can't make you want me

And just because I want to

I can't make a flower become a tree

How I wish I were your own name

Though you don't think about it

You write it, you spell it, you turn around

Look at me

I wish I were the old commode

You take your shower in

I wish I were the sweet cologne

That seeps beneath your skin

I wish that I were your mirror, oh baby

I wish that I were your mirror, oh baby

I wish that I were your mirror, oh baby

I wish that I were your mirror
