

# Midnight At The Oasis

Renee Olstead

Midnight at the oasis  
Send your camel to bed  
Shadows paintin' our faces  
Traces of romance in our heads  
Heaven's holdin' a half-moon  
Shinin' just for us  
Let's slip off to a sand dune, real soon  
And kick up a little dust  
Come on, Cactus is our friend  
He'll point out the way  
Come on, till the evenin' ends  
Till the evenin' ends  
You don't have to answer  
There's no need to speak  
I'll be your belly dancer, prancer  
And you can be my sheikI know your Daddy's a sultan  
A nomad known to all  
With fifty girls to attend him, they all send him  
Jump at his beck and call  
But you won't need no harem, honey  
When I'm by your side  
And you won't need no camel, no no  
When I take you for a ride  
Come on, cactus is our friend  
He'll point out the way  
Come on, till the evenin' ends  
Till the evenin' ends  
Midnight at the oasis  
Send your camel to bed  
Got shadows paintin' our faces  
And traces of romance in our heads
