

Superhero

Cher Lloyd

Ooh Ooh
Ooh Ooh Ooh
I loved you, and loved you
With all that's in my power
I was used and abused
Til I was sweet and sour
I kissed you, and kissed you
And gave you all my sugar
You knew that I'd be useless
If I let you know what you were to me
I thought it would be ok
And we shared everything
No way
And I told you, I told you
I was such a sad case
You said you could save me
I'm doing the saving
Went to sleep a superhero
And he woke up a villain
Killing, killing my love
Oh what happened?
Don't know what happened
You got me fighting
Like wonder woman, woman
[Chorus] But I, I, I don't wanna fi-i-ight
Don't wear no ti-i-ights
And I can't fly-y-y
I'm no, I'm no superhero-o-o
Oh, oh, oh
I, I, I don't wanna fi-i-ight
Don't wear no ti-i-ights
And I can't fly-y-y
I'm no, I'm no superhero-o-o
Oh, oh, oh
Oh no
Don't know what happened
Don't know what happened
Don't know what happened
I keep trying and trying to wrap my head around you

Cry so,
Can't let no-body see how I'm actin
You hurt me, you hurt me
And no, not physically
Ain't got no bumps and bruises to show
People what you're doin to me
I thought it would be

Okay but you see
I heard everything you said
And I knew it, I knew that you'd turn out to be
A sad case

You said you could save me, I'm doin the saving

[Chorus]I, I, I don't wanna fi-i-ight

Don't wear no ti-i-ights

And I can't fly-y-y

I'm no, I'm no superhero-o-o

Oh, oh, oh

I, I, I don't wanna fi-i-ight

Don't wear no ti-i-ights

And I can't fly-y-y

I'm no, I'm no superhero-o-o

Oh, oh, oh

Oh no

You got me

Using all my Kung-fu , tricks, tricks

Hittin with a round house kick to the temple

1-2-3-4 HUNG-HI-HO, TKO, Taekwondo

You know

When you see that hand go chop

Everything stops

(Quick silence)

The flow so hot

Like steam from a coffee pot

Rush hour, no traffic, no Jet Li, just Jackie

You actin like you stay behind

Go re-up on your classes

You old fake ole wanna be Superman

Give Clark Kent back his glasses

Man I hit you with a judo kick so fast

You look back like

What happened?

I, I, I don't wanna fi-i-ight

Don't wear no ti-i-ights

And I can't fly-y-y

I'm no, I'm no superhero-o-o
Oh, oh, oh
I, I, I don't wanna fi-i-ight
Don't wear no ti-i-ights
And I can't fly-y-y
I'm no, I'm no superhero-o-o
Oh, oh, oh
Oh no, (it) happened.
Oh no, (it) happened.
Oh no, don't know what happened.
Don't know what happened
