

# Cheating

## Alex & Sierra

Do you ever think about cheating on me?  
Where would you go? and who would it be?  
One my friends are a celebrity  
Do you ever think about cheating on me? Do you ever think about a one night stand?  
Leaving the club at 3AM, with a male model or a guy from a band  
Do you ever think about a one night stand? Wo-oh, way to tell me no that's not an answer I believe  
There's not a single soul who hasn't had a fantasy  
But on the other side you know the grass ain't always green Do you ever? Do you ever? think about cheating on  
me?  
Oh, Do you ever? Do you ever? think about cheating on me? Do you ever think about breaking up?  
Throw in the towel cause you've had enough  
Turn around the car cause the road looks bad  
Do you ever think about breaking up? Leave the town ain't always not an answer I believe  
There's not a single soul who hasn't had a fantasy  
But on the other side you know the grass ain't always green Do you ever? Do you ever? think about cheating on  
me?  
Oh, Do you ever? Do you ever? think about cheating on me? La la la la  
La la la la On the other side you know the grass ain't always green Do you ever? Do you ever? think about  
cheating on me?  
Oh, Do you ever? Do you ever? think about cheating on me?  
Do you ever? Do you ever? think about cheating on me?
