

# Afraid, Unafraid (feat. Sydnee Carter)

## SLUMBERJACK

I am running out of time.  
Keep stepping out of light.  
Babe, I'm not feeling afraid. But these little bones can't help to feel alone.  
So every time the beat try to hold me back,  
i feel it coming on with a strong alcoholic attack.  
Won't you tell me what's going on? I was unafraid to start a fire  
I was just afraid of the fall  
I'm not afraid anymore  
I'm not afraid anymore  
Take a little part of me For everyone to see  
I don't know who I should be  
You are the key  
To set me free Take the sound of my heart  
Take the tears of my eyes  
Take the beat of my chest  
It's time to put my mind to right Trying to take what I got left  
So every time the beat try to hold me back,  
I felt it coming on with a strong alcoholic attack.  
I think I know what's going on I was unafraid to start a fire, I was just afraid of the fall  
Now I'm not afraid anymore  
I was unafraid to start a fire, I was just afraid of the fall  
I'm not afraid anymore  
I was unafraid to start a fire, I was just afraid of the fall  
I'm not afraid anymore
