

Weight of Heaven (feat. Chris Quilala)

Jesus Culture

Fill this room, fill this place
Come and meet us face to face
Come and meet us face to face
Fill our hearts, fill our praise
Come and meet us face to face
Come and meet us face to face Let the weight of Heaven fall
Let it rain on us, downpour
Can you hear the waters roar?
Let the weight of Heaven fall Move in power, have Your way
Come and meet us face to face
Come and meet with us again
Move in power, have Your way
Come and meet us face to face
Come and meet with us again
Let the weight of Heaven fall
Let it rain on us, downpour
Can you hear the waters roar?
Let the weight of Heaven fall Saturate our hearts
Fill us up to overflowing
Saturate our world
We are ready, we are ready
Saturate our hearts
Fill us up to overflowing
Saturate our world
We are ready, oh! Let the weight of Heaven fall
Let it rain on us, downpour
Can you hear the waters roar?
Let the weight of Heaven fall
Oh-oh-ooh, oh-oh-ooh
Oh-oh-ooh, oh-oh-ooh
Have Your way, have Your way
Oh-oh-ooh, have Your way
