CBC

(Hed) P. E.

In this life
Never look back
Never do that
Stay focused
Stay on track
Gotta fuck hos
Gotta get it from the back
Gotta get hi - hit hydro
Never crack
I fuck that pussy
I gotta get it wet
I play with the pussy
I bite down on the neck
Bitch - I got no respect
Your hair gets pulled
Your pussy wrecked
You a slut
I don't care
Face in the pillow
Ass up in the air
I spank you black and blue
Them sluts in the club'll be like
"What happened to you?"
Push it
I know you won't complain
Push it
I know you know my name
Push it
You don't need to do a thang
Why don't you just spread your legs and...
Cum bitch cum - I want you to
Cum bitch cum - I want you to
Cum bitch cum - I want you to
Say my name when you feel this pain
You wanna tell me how to sing and act
Fuck that
You wanna tell a nigga what he should do
Fuck you
You skinny with a 36D

Come fuck me

No - I'm not your boyfriend
Bitch - Ya can't trust me
My God - I just got lucky
She so horny - she wanna fucky sucky
Yea that bitch so slutty
Out at the club makin out with her buddies
Out at the club and dressed all slutty
I wanna bust my nut
You wanna love me
I wanna suck your tits
You wanna hug me
She's so fine
I'm so ugly
Push it
I know you won't complain...
Cum bitch cum
Front - back - side to side
Destroy that pussy - destroy
Destruction
Fuck - fuck - fuck - fuck - fuck
I don't give a fuck if it's in back of the bus or up in the bed
The back of your hed will get fed
and I can't wait to see your face
I can't wait to grab that waist
and just rape you
Take you on a drive-by
Fuck front - fuck back - fuck side to side
Eyes roll back when I break ya spine
Make love - fuck that - I'll make a slut cry
Fuck that - I'll make a slut cum nine times
Then I'll say "Can we make more babies"
Can I get that pussy from behind
Can I make these pussy lips smoke
Like clubs from the eighties
Push it...
