

Big Boring Wedding

Guided by Voices

I have entered a shiny new realm
A very different and very spoiled world
It's with great pleasure I introduce myself
To call and thank you for such delicious pie
The irony is sweet - the bird is paralyzed
With one good finger you try me on for size
It's hard to imagine that you just wanna leave
With yellow photos - pocket-size
Revealing mobility, your psychedelic eye
Spontaneous and violent but private to the mind
With nowhere left to go
Pass the word, the chicks are back
The chicks are back, yeah
The chicks are back
Pass the word, the chicks are back
The chicks are back, yeah
The chicks are backThe chandelier is spinning and shaking
The fireball is already waking
Revealing mobility, your psychedelic eye
Spontaneous and violent but private to the mind
With nowhere left to go
Pass the word, the chicks are back
The chicks are back, yeah
The chicks are back
Pass the word, the chicks are back
The chicks are back, yeah
The chicks are back
