

Ratchet Behaviour

All Saints

Ratchet behaviour
When I catch you smiling away, you were making a fool of me
You had that knife in that back of a wife of a man that was cool that you used to squeeze,
Took the womans kindness, misunderstood and thought that it made me weak
I'm gonna break it down to you girl, female to female
Right now take it to the streets
You don't really really wanna catch a bad one,
Coz I'm just here with my girls trying to have fun,
It's random why you come up me on a mad one,
So now I got flipped like a Samsung,
Did you see that ratchet behaviour?
Its gonna bring you down when we go to war
That ratchet behaviour
Make you think it was cool messing with my love
Did you see that ratchet behaviour?
Its gonna bring you down when we go to war
That ratchet behaviour
Its gonna bring you down
Come out the dark,
If I see ya won't sit down with ya,
Shes a stone cold sinner, sinner
Yeah you know that she a murder this girl yeah
Come out the dark,
If I see ya won't sit down with ya,
She's a stone cold sinner, sinner
Yeah you know that she a murder this girl year
Don't you realize ...
Everytime that you walk my way
I'm a women I know when a girl shows up and she wants to play
I can see it in your eyes what you want it, no need to deny, don't speak
Yeah I'm a break it down girl, female to female
Take it to the street
You don't really really wanna catch a bad one,
Coz I'm just here with my girls trying to have fun,
It's random why you come up me on a mad one,
So now I got flipped like a Samsung,
Did you see that ratchet behaviour?
Its gonna bring you down when we go to war
That ratchet behaviour
Make you think it was cool messing with my love
Did you see that ratchet behaviour?
Its gonna bring you down when we go to war
That ratchet behaviour
Its gonna bring you down
Did you see that ratchet behaviour?

Its gonna bring you down when we go to war
That ratchet behaviour
Make you think it was cool messing with my love
Did you see that ratchet behaviour?
Its gonna bring you down when we go to war
That ratchet behaviour
Its gonna bring you down
