

# Dazed and abused

## Seether

Amuse myself with pots of paint  
Produce the demons within us  
Pointless trials but don't be late  
Cause someone's always pissed off  
Disrespect me cause I'm ugly  
Don't give me your stupid pity  
There are no hands to tell the time  
Master of my destination  
Your selfish hands invade this time  
And break through all of my fences  
Disrespect me cause I'm ugly  
Don't give me your stupid pity  
Amuse myself with pots of paint  
Produce the demons within us  
Pointless trials but don't be late  
Cause someone's always pissed off  
Disrespect me cause I'm ugly  
Don't give me your stupid pity  
Disrespect me cause I'm ugly  
Don't give me your stupid pity
