

# Alright (OST 'LOL (Laughing Out Loud)')

## Supergrass

We are young, we run green  
Keep our teeth nice and clean  
See our friends, see the sights  
Feels alrightWe wake up, we go out  
    Smoke a fag, put it out  
    See our friends, see the sights  
    Feel alrightAre we like you?  
        I can't be sure  
        Of the scene, as she turns  
We are strange, in our worldsBut we are young, we get by  
    Can't go mad, ain't got time  
    Sleep around if we like  
But we're alrightGot some cash, bought some wheels  
    Took it out, through some fields  
    Lost controls, hit a wall  
But we're alrightAre we like you?  
    I can't be sure  
    Of the scene, as she turns  
We are strange, in our worldsBut we are young, we run green  
    Keep our teeth nice and clean  
    See our friends, see the sights  
    Feels alrightAre we like you?  
        I can't be sure  
        Of the scene, as she turns  
We are strange, in our worldsBut we are young, we run green  
    Keep our teeth nice and clean  
    See our friends, see the sights  
    Feels alright
