

Pch

Tuatara

I was out on the coastline gettin' little shake
Do it every day for mercy's sake
Sometime surf's up, sometimes it's flat
Eatin' up asphalt, prowlin' like a tomcat
Stunned at what I see
Should I stay or should I leave?
Too much, not enough PCH
Too much, not enough PCH
Feelin' kind of free by the deep blue sea
True blood blue slut hangin' on me
Wanna head north but I might go south
Can't make up my mind 'cause I'm thinking like Brian
Hangin' in and out
Pullin' up 'cause it's about
Too much, not enough PCH
Too much, not enough PCH
Hangin' in and out
Pullin' up 'cause it's about
Too much, not enough PCH, who!
Too much, not enough PCH
