Into Glory Ride

Unleashed

Once upon
An evil time

Up in the north

Mighty men

Fought and died

By the sword

...Onward into glory ride

Into battle

Sign of the hammer

Be my guide

Standing proud

In victory

Into glory ride

...Onward into glory ride

To Birka we sail

(Birch Island)

And celebrate

Hail Thor

And the fallen

Join with Odin

At slain hall

(Valhalla)

...Onward into glory ride
