Within You

David Bowie

How you turned my world, you precious thing
You starve and near exhaust me
Everything I've done, I've done for you
I move the stars for no one
You've run so long
You've run so far
Your eyes can be so cruel
Just as I can be so cruel

Though I do believe in you
Yes, I do
Live without the sunlight
Love without your heartbeat
I, I can't live within you
I can't live within you
I, I can't live within you
