

Niji Trance

Redbone

Wailing song; the proud, the brave
It's to you, our souls to save
Wailing song, the young, the old
One is silver, the other gold Ooh oh oh, it's the spirit dance
And ooh oh oh, it's the Niji trance
And ooh oh oh, it's the spirit dance
And ooh oh oh, it's the Niji trance Wailing song, oh spirit dance
Haiya, haiya, the Niji trance
Wailing song, the warrior sings
Free my people; give freedom wings
Ooh oh oh, it's the spirit dance
And ooh oh oh, it's the Niji trance
And ooh oh oh, it's the spirit dance
And ooh oh oh, it's the Niji trance
