

# Bite The Bullet

## Machine Head

I understand your every fear  
Your every pain your every tear  
With every struggle you conquer  
Turn heart to steel  
And will to iron You want more?  
You'll get it  
Determined, ferocious  
Grit down and bite the bullet  
Dare to unbind  
Smash and redefine The hate you feel is nothing more  
Than love you feel to win this war  
The battle that rages inside you  
With bloodlust  
You must unchain your shackles You want more?  
You'll get it  
Determined, ferocious  
Grit down and bite the bullet  
Dare to unbind  
Smash and redefine Lion heart  
Never give in  
Unsatisfy every weakness You want more?  
You'll get it  
Determined, ferocious  
Grit down and bite the bullet  
Dare to unbind  
Smash and redefine
