

Something To Dance For

[Zendaya](#)

A dream like this, not something you wish for
A dream like this not something you ask for
When it's a gift worth taking a chance for
Then this is something you dance for Hey yeah, yeah,
Oh, this is something you dance for There's a moment when you look to the side
Who will fall, who will survive
That's the moment when you find it inside
On the line, this is your time And it's all I want
And it's all I do A dream like this, not something you wish for
A dream like this not something you ask for
When it's a gift worth taking a chance for
Then this is something you dance for
Can you believe it are you feeling alive?
Hit your mark, ready to rise
Your body's aching but your heart doesn't mind
Feet on the ground, eyes on the prize And it's all I want
And it's all I do A dream like this not something you wish for
A dream like this not something you ask for
When it's a gift worth taking a chance for
Then this is something you dance for A dream like this not something you wish for
A dream like this not something you ask for
When it's a gift worth taking a chance for
Then this is something you dance for For the love, for the fame
To bring down the rain
By the way that you feel, when they're calling your name
For the days nothing more, it's just you on the floor Oh this is something you dance for A dream like this not
something you wish for
A dream like this not something you ask for
When it's a gift worth taking a chance for
Then this is something you dance for A dream like this not something you wish for
A dream like this not something you ask for
When it's a gift worth taking a chance for
Then this is something you dance for
