

Boom

Mahogany Lox

Everything happens for a reason
And the reason is you
I feel like I'm dreamin'
It's too good to be true
And I know
We drive each other crazy
But you're still my baby
You make my heart go
Boom, Boom, Boom
Boom, Boom, Boom
Everything happens for a reason
As long as I'm breathin'
Imma change the game like the seasons
You're my MVP
The only one I need
I wear my heart on my sleeve
I believe that
We can grow together (Yeah)
As long as you're with me
We can go wherever
Oh Yeah
This may feel unreal
But it's not
Love's like a gun, baby come take a shot
I just wanna
Be right by your side
This is something
I can not deny
Everything happens for a reason
And the reason is you
I feel like I'm dreamin'
It's too good to be true
And I know
We drive each other crazy
But you're still my baby
You make my heart go
Boom, Boom, Boom
Boom, Boom, Boom
I should know better

That you were my forever
It's true
It's true
Yeah
We can do whatever
And I will never ever
Leave you
No, no, no never leave (Yeah)
I just wanna
Be right by your side
This is something
I can not deny
Everything happens for a reason
And the reason is you
I feel like I'm dreamin'
It's too good to be true
And I know
We drive each other crazy
But you're still my baby
You make my heart go
Boom, Boom, Boom
Boom, Boom, Boom (You make my heart go)
(go, go, go, you make my heart go) x4
Boom, Boom, Boom
Everything happens for a reason
And the reason is you
I feel like I'm dreamin'
It's too good to be true
And I know
We drive each other crazy
But you're still my baby
You make my heart go
Boom, Boom, Boom
Boom, Boom, Boom
Everything happens for a reason
And the reason is you
I feel like I'm dreamin'
It's too good to be true
And I know
We drive each other crazy
But you're still my baby
You make my heart go
Boom, Boom, Boom
Boom, Boom, Boom
