

The Radio's Lady

Pietro Cesaro

you wake up in the morning
you feel yourself in the centre of the world
you turn on the computer to discover who is thinking of you
how many people are happy if you speak about them to the radio
causeâ€¦â€¦â€¦causeâ€¦â€¦â€¦
you are the radioâ€™s lady
you are always around
youâ€™re the radioâ€™s lady
you are in the centre of the world
your beautiful voice caresses the mountains and the valley
and it gives a smile to the common people in their sad days
the radioâ€™s ladyâ€¦â€¦â€¦the radioâ€™s ladyâ€¦â€¦â€¦
youâ€™re the radioâ€™s ladyâ€¦â€¦â€¦
you show yourself with the vip and the losers
you offend yourself if someone jokes with your image
youâ€™re the radioâ€™s ladyâ€¦â€¦â€¦
oh!!! radioâ€™s lady listen to me
donâ€™t give a damn what others think of youâ€¦â€¦â€¦.think of youâ€¦â€¦â€¦.think of yo
