She Gone

Gonjasufi

She's gone, she's gone, she's gone, she's gone,
And i don't ever wanna see her again,
She's gone, she's gone, she's gone, she's gone,
And i don't ever wanna see her again,She keeps feeding us that hatred
and wondering why she's feeling,
so misstreated and forsakened
It's because her inner demon
Keeps on stealing
It keeps taking...
Oh my god how we've been waiting.
We've been waiting waiting
Pacient so pacient
We've been waiting so damn pacient
Were pacient, im waiting for...She's gone, she's gone, she's gone,
And i don't ever wanna see you again,
She's gone, she's gone, she's gone, she's gone,
And i don't ever wanna see her again,I gave you my heart and love
And all you ever did is leave us so vacant
I tryed, I gave, I cryed, I prayed,
I eaven played father to your kids
And every time I was given
All you ever did is leave us with your hatred.
When you're driving down the street
And acting like you do not know me,
Wondering why you're life's incomplete
And you feel so damn lonely
lonely, lonely, lonely
