

# Everything Changes

## Take That

Forever  
Everything changes but you  
We've said goodbye, the taxi cab is waiting  
Now don't you cry, just one more kiss before I have to go  
Hey girl I know the situation changed  
And so much is new but somethin' in my life remains the same 'cause  
Everything changes but you  
We're a thousand miles apart  
But you know I love you  
Everything changes but you  
You know every single day  
I'll be thinkin' about you  
The rumor's true, you know that there've been others  
What can I do? I tell you baby they don't mean a thing  
Now girl don't go and throw our love away  
I'll be home soon back in your arms to hear you say that  
Everything changes but you  
We're a thousand miles apart  
But you know I love you  
Everything changes but you  
You know every single day  
I'll be thinking about you girl  
Everything changes but you  
We're a thousand miles apart  
But I still love you  
Everything changes but you  
I'll spend every single day  
Thinkin' about you  
Though everything changes around us  
Baby don't you cry  
We will be the same as before, forever more  
Everything changes but you  
We're a thousand miles apart  
And I miss you baby  
Everything changes but you  
You know every single day  
I'll be thinkin' about you  
Everything changes but you  
I'll be thinkin' about you

Thinkin' about you  
Everything changes but you  
'Cause you know I love you  
Know that I love you  
Everything changes but you  
I'll be thinkin' about you  
Thinkin' about you  
Everything changes but you  
I love you, I love you
