Baby You Don't Wanna Know

Sum 41

I don't know what you want and I don't wanna know
I got you where I want and I won't let go
So get your kicks out quick while you still got time
That's fine
I know just what you've done, I need no alibis
I hope you've had your fun, you sure know how to live
'Cause your just a drag and you just ran out of time
Well, that's quite alright, well
Well, do what you want but don't be proud
'Cause baby, you don't wanna know
What I'm gonna do when you're not around
No baby, you don't wanna know
I got you right where I want
And I bet you gonna set you off
And I tell you anything you want
But baby, you don't wanna know
But baby, you don't wanna know, hey
It beats me black and blue but I can't resist
I'm dragging myself through this kind of masochist
But I'll be fine like this till the end of time
That's quite alright
Well, do what you want but don't be proud
'Cause baby, you don't wanna know
What I'm gonna do when you're not around
No baby, you don't wanna know
I got you right where I want
And I bet you gonna set you off
And I tell you anything you want
But baby, you don't wanna know
Baby, you don't wanna know
Baby, you don't wanna know
Baby, you don't wanna know
It's alright, I don't mind
'Cause you just might be outta time
Well, do what you want but don't be proud
'Cause baby, you don't wanna know
What I'm gonna do when you're not around
No baby, you don't wanna know
I got you right where I want

And I bet you gonna set you off
And I tell you anything you want
But baby, you don't wanna know
Baby, you don't wanna know
But baby, you don't wanna know
Baby, you don't wanna know
No, no, baby, you don't wanna know
