And One (Hybrid Theory EP)

Linkin Park

Where should I start? Disjointed heart
I've got no commitment to my own flesh and blood
Left all alone far from my home
No one to hear me, to heal my ill heart
I keep it locked up insideCannot express to the point I've regressed
If anger's a gift then I guess I've been blessed
I keep it locked up inside
Keep my distance from your liesIt's too late to love me now
You helped me to show me
It's too late to love me now
You don't even know meBreaking a part of my heart to find release
Taking you out of my blood to bring me peace
Breaking a part of my heart to find release
Taking you out of my blood to bring me peaceBreaking a part of my heart to find release, break
Taking you out of my blood to bring me peace, me
Breaking a part of my heart to find release, too
Taking you out of my blood to bring me peaceKeep it locked up inside
Keep my distance from your liesBreaking a part of my heart to find release, break
Taking you out of my blood to bring me peace, me
Breaking a part of my heart to find release, too
Taking you out of my blood to bring me peaceBreaking a part of my heart to find release
Taking you out of my blood to bring me peace
Breaking a part of my heart to find release
Taking you out of my blood to bring me peaceKeep my distance
Keep my distance
Keep my distance
Keep my distanceSpit drips from the jaw of the witless witness
Cryptic colloquialism shifts your midriff
Dark all I do embark the shadows
Involved with my thought catalog, analogue, rap catalogKeep my distance, and fear resistance, hurt by persistence
The twisted web of tangled lies
Strangles my hope to waste and numbs the taste
And I'm forced to face these hate crimesAgainst the state of being
Feeling the weightlessness pressed between the ceiling
Reeling around room, riding a bubble of sound proof
It's the frequency making you sha-shake with every boomInvoluntary muscle contraction
Ignoring and drinking musical gas fueled euphoria
The sound pounds to make the dead flush

To have you a head rush with red thoughts and said stuff
