

# Rythmeen

## ZZ Top

Solid silver beat machine  
Huh, bumpin' down  
Man is funk' up on Magazine  
On Rythmeen in New Orleans Drinkin' Dixie Forty Five with hot links  
In a silver continental  
Wired as hell and doin' things  
That's what you get on Rythmeen Oh yea, way up  
Oh yea, way out  
Uh huh, get on up  
Rythmeen is down  
Rythmeen thing  
Mean, mean Rythmeen Can't get enough of that special sauce  
The back beat's the big boss  
Here comes another dope fiend  
Tradin' up for Rythmeen Oh yea, weird up  
Oh yea, fear not  
Uh huh, get on up  
Rythmeen is down Leanin' on a silver Lincoln  
A Galaxy Five Hundred  
In a Mustang might Tchoupitoulas  
Rythmeen up everything, oww
