

# Simply the Best

## 50 Cent, DJ Whoo Kid

I call you when I need you, my heart's on fire  
You come to me, come to me wild and wild  
When you come to me give me everything I need Give me a lifetime of promises and a world of dreams  
Speak a language of love like you know what it means  
And it can't be wrong, take my heart and make it strong, baby You're simply the best, better than all the rest  
Better than anyone, anyone I've ever met  
I'm stuck on your heart and hang on every word you say  
Tear us apart, baby, I would rather be dead In your heart I see the star of every night and every day  
In your eyes I get lost, I get washed away  
Just as long as I'm here in your arms, I could be in no better place You're simply the best, better than all the rest  
Better than anyone, anyone I've ever met  
I'm stuck on your heart and hang on every word you say  
Tear us apart, baby, I would rather be dead Each time you leave me I start losing control  
You're walking away with my heart and my soul  
I can feel you even when I'm alone, oh baby, don't let go
