

# Find Me (Instrumental)

## Boyce Avenue

So many nights trying to hide it  
But now I stay awake just pleading for more  
To think this heart was divided  
I'm losing sleep 'cause I can't ignore Feeling your touch all around  
And peacefully hearing the sound  
Of silence around us, so glad we found us this way, yeah Find me, here in your arms  
Now I'm wondering where you've always been  
And blindly, I came to you  
Knowing you'd breathe new life from within I can't get enough of you, oh I want to be where you are  
In times of need I just want you to stay  
I leave a note on your car  
When I can't find the right words to say Hearing your voice all around  
The last place we're going is down  
I'll blindly follow knowing you're leading the way, yeah Find me, here in your arms  
Now I'm wondering where you've always been  
And blindly, I came to you  
Knowing you'd breathe new life from within, yeah With you in time  
There's nothing else  
My life stands still  
You are the will that makes me strong  
Make me strong  
If ever alone in this world I know I'll always Find me, here in your arms  
Now I'm wondering where you've always been  
Blindly, I came to you  
Knowing you'd breathe new life from within  
Oh and you sleep, here in my arms  
Where the world just shuts down for a while  
Blindly, you came to me  
Finding peace and belief in this smile  
Find some peace and belief in this smile  
Oh find some peace and belief in this smile I can't get enough of you, oh
