Selfie

Mark Thomas

Jacob, Jacob

Hey baby girl
I gots to see you right now
Cause if I don't I'm gon go crazy babe (yeah girl)

Rule how you know me girl
Quit the hop up on the first plane ride out
Cause when I need you, girl I need you all the time
You know everywhere to ease my mind

Girl you got my head going when you sending pics
Always love the way you smile
With them pretty lips
Mixed my fingers in your hair
And the way we kiss
Got me missing you now
Shouldn't stop talking 'bout you girl

Can you take a selfie for me
Post it up real sexy for me
Let me know that you're ready for me, yeah
Selfie for me
Can you take a selfie for me
Post it up real sexy for me
Let me know that you're ready for me, yeah
Selfie for me

For my eyes only girl
Go ahead and send that my way
If I could teleport, girl it be going down
You should know that you're my world
Ask the homies and see what they say
It be like he don't ever wanna hangout
Girl if it ain't you, then it ain't my style

Girl you got my head going when you sending pics
Always love the way you smile
With them pretty lips
Mixed my fingers in your hair

And the way we kiss
Got me missing you now
Shouldn't stop talking 'bout you girl

Can you take a selfie for me
Post it up real sexy for me
Let me know that you're ready for me, yeah
Selfie for me
Can you take a selfie for me
Post it up real sexy for me
Let me know that you're ready for me, yeah
Selfie for me

Ooh you my pretty little angel
I love it when you take it from the right angle
Yeah even better baby angle
Baby won't you take a selfie for me
Pretty little angel
I love it when you take it from the right angle
Yeah even better baby angle
Baby won't you take a selfie for me

I gots to see you right now
If I don't I'm gon go crazy babe
Crazy babe
Crazy babe

Can you take a selfie for me
Post it up real sexy for me
Let me know that you're ready for me, yeah
Selfie for me
Can you take a selfie for me
Post it up real sexy for me
Let me know that you're ready for me, yeah
Selfie for me
